INTRODUCTION

The Indiana Judicial Report is an annual report published by the Division of State Court Administration pursuant to Indiana Code 33-2.1-7-3. The Indiana Legislature has directed this office to collect and compile statistical data on the judicial work of the courts in the State and information as to the revenues generated by and funds expended on the operation of the courts. The period of time covered by this report is calendar year 1986.

The information has been divided into two parts, caseload data and fiscal data. Where appropriate, each part has been broken down by court classification. Additional general information, consisting of a description of the judiciary, roster, manpower table and organizational chart, has been added to assist the reader in understanding the data which has been presented.

The information published in this annual report relating to trial courts emanates from summary caseload data provided quarterly and summary fiscal data provided annually. The caseload data relating to the Supreme Court, Court of Appeals and Tax Court is provided by their respective administrative offices. The state-level fiscal data is derived from the annual report of the Auditor of the State.

In that summary data is being used, it should be noted that this report is not intended to be an exact accounting of funds or a complete detailing of every judicial decision. It is only presented as a reasonably accurate overview of the administrative aspects of the Indiana Judiciary. As such, it is intended to be used by trial judges in evaluating their performance and monitoring the caseloads in their respective courts; by trial judges and county councils in the budgeting process; by the General Assembly and its Committees in their oversight of judicial administrative activities, and by the Indiana Supreme Court in meeting its superintendent responsibilities. Additionally, the information published in this report is intended to provide a continuous factual basis for long-term judicial planning in the State of Indiana.

The Division of State Court Administration welcomes comments or suggestions concerning the presentation of the data in this report.

INDIANA'S JUDICIAL SYSTEM

Article 3, Section 1 of the Constitution of Indiana provides:

> Three Departments - The powers of the Government are divided into three separate departments; the Legislative, the Executive including the Administrative, and the Judicial; and no person, charged with official duties under one of these departments, shall exercise any of the functions of another, except as in this Constitution expressly provided.

The judicial power of the State of Indiana is vested in a Supreme Court, a Court of Appeals, Circuit Courts, and such other courts as the General Assembly may establish.[1] The General Assembly has from time to time established other courts vesting them with specific powers. The Superior and County Courts are such legislatively created courts. The former have general trial jurisdiction while the county courts have more limited jurisdiction. Additionally there are city and town courts with even more limited jurisdiction. Specialized courts and additional tribunals with limited jurisdiction are found in the more populous counties.

SUPREME COURT

The Indiana Supreme Court consists of five justices, one of whom is the Chief Justice of the State (selected by the Indiana Judicial Nominating Commission).[2]

The Supreme Court has no original jurisdiction except in (a) admission to the practice of law; (b) discipline and disbarment of those admitted; (c) unauthorized practice of law; (d) discipline, removal and retirement of judges; and (e) exercise of jurisdiction by other courts.

Its appellate jurisdiction includes appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a term greater than 10 years; appeals from the denial of post-conviction relief in which the sentence was death or life imprisonment; cases where a state or federal statute has been declared unconstitutional; appeals from denial of release in habeas corpus cases arising out of criminal, extradition or mental health proceedings; and, on petition, cases involving substantial questions of law, great public importance, or emergencies.[3]

[2] Ind. Const., Art. 7, Sec. 2; IC 33-2.1-2-1.

The justices are appointed by the Governor after nomination by a Judicial Nominating Commission. After an initial two-year term, they run on a "Yes--No" retention ballot, and, if successful, they then serve ten-year terms.

COURT OF APPEALS

The Court of Appeals became a constitutional court under a 1970 revision of the Constitution. The Judicial Article provides that the state be divided into geographic districts by the General Assembly, and that each district have three judges.[4] Presently, the court has four districts, with a total of twelve judges.[5] The twelve judges select one of their number as Chief Judge, and each district elects a Presiding Judge.[6] The Court of Appeals has no original jurisdiction except as authorized by Supreme Court rules to review directly final decisions of certain administrative agencies.[7] It has jurisdiction over all appeals not taken to the Supreme Court.

The judges of the Court of Appeals are selected in the same manner and serve the same terms as the Supreme Court Justices.

TAX COURT

A newly created Indiana Tax Court came into existence on July 1, 1986. The Tax Court is an appellate level court with one judge who is selected in the same manner as are judges of the Court of Appeals.[8] The Tax Court has exclusive jurisdiction in original tax appeals which are defined as any case that arises under the tax laws of this state and is an initial appeal of a final determination made by (1) the Department of State Revenue; or (2) the State Board of Tax Commissioners.[9] The principal office of the Tax Court is located in Indianapolis although a taxpayer may select to have all evidentiary hearings conducted in one of seven other specifically designated counties.

The Tax Court must also maintain a small claims docket for processing (1) claims for refunds from the Department of Revenue that do not exceed $5,000 for any year; and (2) appeals of final determination of assessed value made by the State Board of Tax Commissioners that do not exceed $15,000 for any year.[10] Appeals from the Tax Court are taken directly to the Supreme Court.[11]

CIRCUIT COURTS

The Indiana Constitution directs that the state be divided into several circuits by the General Assembly and that a judge be elected for each circuit.[12] Eighty-eight of a total of ninety-two counties, each constitute a circuit, while the remaining four counties are in two "joint" circuits with two counties each.

The Circuit Courts are vested with unlimited trial jurisdiction in all cases, except when exclusive or concurrent jurisdiction is conferred upon other courts. They also have appellate jurisdiction over appeals from City and Town Courts.[13]

In twenty-one counties[14] the Circuit Court maintains small claims and misdemeanor divisions. Civil actions in which the amount sought to be recovered is less than $3,000 and landlord and tenant actions in which the rent does not exceed $500 per month may be filed on the small claims docket.[15] Class D felonies, all misdemeanors, infractions and ordinance violations are heard on the minor offenses docket.[16] Cases on the small claims docket are heard under a more informal atmosphere and without a jury.[17] In the remaining counties, the small claims docket and minor offenses docket have been established within either the Superior or County Court of the county. The caseload on these dockets is referred to as the "County Court Function" or "CCF" of the Circuit or Superior Court due to the establishment of most of these dockets under the 1975 County Court law.

The judges of the Circuit Courts (with the exception of the Vanderburgh Circuit Court where the judge is elected in a nonpartisan election)[18] are elected every six (6) years by the voters of each circuit.[19]

SUPERIOR COURTS

Superior Courts are created by the General Assembly one at a time as local judicial needs change. Though their organization and jurisdiction may vary from county to county, for the most part, they are courts of general jurisdiction. They have the same appellate jurisdiction as Circuit Courts over appeals from City and Town Courts.[20]

As of December 31, 1986, there were one hundred fourteen (114) Superior Courts with one of them being a joint court serving two counties. In some of the counties, statutory language sets up one unified Superior Court with two or more judges, while others, through internal rules, operate their courts as unified county systems. Twenty-six counties have their small claims and minor offenses divisions within the Superior Courts (Adams, Allen, Boone, Cass, Clay, DeKalb, Delaware, Dubois, Gibson, Hendricks, Jasper, Johnson, LaPorte, Miami, Monroe, Newton, Ohio,

With the exception of four counties, the Superior Court Judges are elected for six-year terms at the general election by the voters.

In Lake and St. Joseph counties, the Superior Court Judges are nominated by a local nominating Commission and then appointed by the Governor for a six-year term. Thereafter, they run on a "Yes -- No" retention ballot. The judges of the Vanderburgh Superior Court are elected in non-partisan elections. In Allen County the Superior Court judges are elected at the general election on a separate ballot without party designation. Vacancies, however, are filled by the Governor from a list of three candidates nominated by the Allen County Judicial Nominating Commission.

PROBATE COURT (St. Joseph County)

The St. Joseph Probate Court is the only specialized Probate Court left in Indiana. The Court has one judge and has original jurisdiction in all matters pertaining to the probate of wills, appointment of guardians, assignees, executors, administrators and trustees, settlements

of incompetents' estates and adoptions.[22] The court also has exclusive juvenile jurisdiction.[23]

The judge is selected by the legal voters of the county at a general election for a six-year term.

MUNICIPAL COURT (Marion County)

The territorial jurisdiction of the Marion County Municipal Court extends to the City-County consolidation of Indianapolis-Marion. The court has fifteen judges, fourteen of whom are trial judges, and one a presiding judge. It has concurrent jurisdiction in all Class D felonies, misdemeanors, infractions, and local ordinance violations. The court has jurisdiction to issue warrants upon probable cause for misdemeanors and felonies committed in the county and to conduct probable cause hearings, to determine sufficiency of recognizance and surety in felony cases, and, upon probable cause determination, to bind such cases over to a court with felony jurisdiction. The Court's civil jurisdiction is concurrent with the Superior and Circuit Courts in all civil cases founded on contract or tort which do not exceed $20,000, and, irrespective of the value of property, in possessory actions between landlord and tenant.[24] The court also has jurisdiction (in the mental health division only) to declare and administer temporary guardianships in conjunction with mental health proceedings involving voluntary and involuntary mental commitments. Appeals from the Municipal Court are taken to the Court of Appeals.[25] The Court also has appellate jurisdiction in cases appealed from the Marion County Small Claims Courts.[26]

The Judges of the Marion County Municipal Court, including the Presiding Judge, are nominated by a local nominating commission and then appointed by the Governor for a four-year term.[27]

COUNTY COURTS

In 1975, the General Assembly created a new system of County Courts to replace the Justice of the Peace Courts. The County Courts began operating on January 1, 1976, when the majority of the Justice of the Peace Courts went out of existence. Since their establishment, there has been a steady move toward upgrading them to superior courts with small claims/misdemeanor divisions. As of December, 1986, there were forty-nine County Court Judges in fifty-one courts, with some counties sharing a court,[28] and others having more than one.[29]

The County Court has original and concurrent jurisdiction in all civil cases founded in contract or tort where the damages do not exceed $10,000, possessory actions between landlord and tenant, all actions for the possession of property where the value of the property sought to be recovered does not exceed $10,000, Class D felonies, misdemeanor and infraction cases, and violations of local ordinances.[30] The County Court also has a small claims docket similar to that of the Circuit Court. Civil cases of up to $3,000 and possessory actions between landlord and tenant, where the rent does not exceed $500 per month may be filed on this small claims docket.[31]

The County Courts have been specifically precluded from exercising any jurisdiction over cases involving injunctive relief, partition of or liens on real estate, paternity, juvenile matters, probate, receivership or dissolution of marriage. The Court may conduct preliminary hearings in felony cases.[32]

Appeals from the County Court, including its small claims docket, go to the Court of Appeals in the same manner as appeals from the Circuit and Superior Court.

The County Court judges are elected by the voters of the county or counties which the court serves for a six year term.[33]

---

[28] There are 2 joint county courts: Fulton-Pulaski; Greene-Sullivan.

[29] The following each have two county courts: Elkhart, Madison, Tippecanoe and Vigo; Lake County has 3. IC 33-10.5-1-6 and 7. 30 IC 33-10.5-3-1, as amended by P.L. 301-1985, SEC. 3

CITY AND TOWN COURTS

With the reorganization of Indiana's lower court structure, city and town courts were scheduled to go out of existence on December 31, 1979.[34] Since that time there have been several legislative amendments extending their term. The present status is that a second or third class city or a town may, by ordinance, establish or abolish a city or town court during 1986 and every fourth year thereafter. However, a city or town court which was in existence on January 1, 1986, may continue in operation until it's abolished by ordinance.[35]

A city or town which establishes or abolishes its court must give notice to the Office of State Court Administration.[36] There are fifty-two (52) city courts and twenty-five (25) town courts.

Jurisdiction of city courts varies depending upon the size of the city. All city courts have jurisdiction of city ordinance violations, all misdemeanors and infractions.[37] The city courts have civil jurisdiction of cases where the amount of controversy does not exceed $500. They have no jurisdiction in actions for libel, slander, real estate foreclosure, where title to real estate is at issue, matters relating to decedent's estates, actions in equity and actions involving the appointment of guardians.[38] The civil jurisdiction of city courts in Lake County extends to cases where the amount in controversy does not exceed $2,500.[39] Such city courts also have extended criminal jurisdiction so that they may hear cases involving violations of all state statutes but can only impose a fine of up to $1,000 and a sentence of not more than one year.[40] A city court in a third class city which is not a county seat[41] has civil jurisdiction of cases involving up to $1,000. City and Town courts are not courts of record, and appeals are tried de novo in the circuit or superior court of the county.[42] Appeals from the Lake

County city courts require some assignment of error in that the filing of a motion to correct errors appears to be a prerequisite.[43]

Town Courts have exclusive jurisdiction of all violations of town ordinances and jurisdiction of all misdemeanors and infractions.[44] Appeals from judgments of a town court are also taken to the circuit or superior court of the county.[45]

City and town court judges are elected for four-year terms by the voters of the city or town.

SMALL CLAIMS COURTS (Marion County)

The Marion County Small Claims Court has eight divisions based on township lines and has territorial jurisdiction throughout the county. The court's trial jurisdiction is concurrent with the Circuit, Superior and Municipal Courts in all civil cases founded on contract or tort in which the claim does not exceed $3,000,[46] in actions for possession of property where the value of the property sought to be recovered does not exceed $3,000,[47] in possessory actions between landlord and tenant in which the past due rent at the time of filing does not exceed $3,000. The Small Claims Court has no jurisdiction in actions seeking injunctive relief or involving partition of real estate, or to declare or enforce any lien thereon (with certain exceptions), or in cases in which the appointment of a receiver is asked, or in suits for dissolution or annulment of marriage. The Court also has jurisdiction to hear petitions for temporary protective orders.[48] The Small Claims Court is not a court of record,[49] and the appeals are tried de novo in the Marion Municipal Court in accordance with rules established by the Municipal Court.[50]

The small claims court judges are elected by the voters within the township in which the division of the court is located. The judge serves a four-year term.

CASELOAD OF TRIAL COURTS

The trial court caseload data reflected herein was reported by the trial courts on a standard form (Quarterly Case Status Report) filed on a quarterly basis. These reports contain information on the cases filed (including those that come on a change of venue), disposed and pending at the beginning and end of the reporting period. This information is categorized by type of case, such as criminal, civil, dissolution, etc. The reports also show the method of disposition for the type of cases. Other matters, such as number of days with Judge Pro Tempore, number of trials disposed by Special Judges, number of cases heard or disposed by Masters, the use of Court Commissioner or Referee, and the number of days the Judge served in another county are also reported, but are not reflected in this report. The information submitted on a quarterly basis has been combined and is presented here as yearly totals.

The caseload information is presented on a county-by-county basis with separate sub-totals for the courts of record and the other minor courts within the county. The case type designations have been abbreviated due to space constraints.

As used in this Report, the following definitions apply:

CFL - Criminal Felony: The felony caseload includes all cases which are initiated as felony charges.

CMS - Criminal Misdemeanor: The misdemeanor caseload includes all matters initiated as misdemeanor charges except those constituting violations of the traffic laws. In the event of multiple charges, some constituting felonies and some constituting misdemeanors or infractions, the case is counted under the most serious classification.

RCR - Re-Docketed Criminal: This category includes those criminal matters (felonies and misdemeanors) which are reopened after an initial judgment is entered. An example of this type of case would be a proceeding under Post Conviction Remedy Rule 1.

TMS - Traffic Misdemeanor: These are misdemeanors which involve violations of the traffic laws.

LOV - Local Ordinance Violations: This category reflects cases where the highest charge is a violation of a local ordinance.

INF - Infractions: This category reflects cases where the highest violation charged is an infraction. The majority of cases falling within this category involve traffic violations.

JUV - Juvenile: This category reflects all juvenile matters where formal proceedings are initiated and such proceedings concern a minor.

PLE - Plenary Civil: This caseload includes all civil cases other than dissolution, probate, adoption, or guardianship cases and small claims.

SCL - Small Claims: This category reflects the civil small claims filed on the small claims docket of the circuit, superior or county courts.

RCL - Re-Docketed Civil: This category includes civil cases which are brought before the court following the entry of the initial judgment.

DIS - Dissolution: This category covers cases where a party seeks to dissolve a marriage.

RDS - Re-Docketed Dissolution: This includes dissolution matters which are brought before the court after the initial entry of judgment. Petitions to modify and contempt citations are included in this category.

P/A - Probate-Adoption: These proceedings involve the probating of estates or adoption of children. This does not include claims against the estate which are litigated; such matters are shown as "civil" cases.

GUA - Guardianship: This involves matters where a guardianship is established.

OTH - Other: This category includes matters in which a judicial determination is made, but the proceeding does not constitute a case. Probable cause determinations fall under this category.

The caseload charts are arranged in the following sequence:

1) Cases Pending on January 1, 1986;
2) New Filings during calendar year 1986;
3) Cases disposed;
4) Method of disposition;
5) Cases Pending on December 31, 1986;

Please note that the grand totals do not include venued cases in that these totals are for the entire system and not for an individual court's activities.

1986 FISCAL REPORT - EXPENDITURES

Pursuant to a legislative directive[1] and Administrative Rules of the Indiana Supreme Court, the Office of State Court Administration collects statistical data on the receipt and expenditure of public monies by and for the operation of the courts.

The information is gathered on an annual basis at the end of each calendar year on forms designed by this office. Beginning with 1980, revenue and expenditure reports are required from all trial courts, including the small claims and city and town courts. The collected data includes the court's requested and approved budgets for 1987, the actual expenditures for 1986 and the revenues collected during 1986 through the operation of such courts. This report, however, reflects only the actual expenditures and revenues for 1986.

The information contained herein is not intended and should not be used as an exact fiscal account. It is only intended to provide a relative overview of the financial aspects of the judicial system on a statewide basis.

Following is a summary of the 1986 expenditures of the courts and revenues generated through their operation.

EXPENDITURES

The Circuit, Superior, Probate, County and Municipal Courts are supported primarily by county funds. State funds are used for a portion of the judges' salaries[2] and special judge costs[3]. The city and town courts are supported by the municipality. In many instances there is no separate city or town court budget, and all expenses are paid directly from the local general fund. This practice makes it extremely difficult to provide accurate expenditure information. The Small Claims Courts of Marion County are supported by their respective townships.

[2] IC 33-13-12-7

[3] Indiana Rules of Court, T.R. 79(14) and C.R. 13(12). Administrative Rule 5.

Within twenty days following the end of a calendar year, each trial court is requested to submit a report on the actual expenditures of the court. The reporting form follows reports filed with the State Board of Accounts and contains four major areas of expenditures. The city, town and small claims courts submit their budgets and expenditures on the same form.

In some of the more populous counties, separate budgets may be maintained for probation, juvenile services or public defense. These expenditures have been included in the final totals.

Expenditures which have not been included in this report are those that are not budgeted for within the court's budget. Thus, expenses for the prosecutor and clerk of the county (which offices submit and operate their own budgets) are not included in this report. The acquisition and operation of physical facilities for juveniles (juvenile detention centers), when distinguishable from temporary juvenile care, have also been excluded since such expenditures fall more appropriately under corrections-related expenditures rather than judicial functions.

1986 FISCAL REPORT - REVENUES

The typical sources of revenues in the trial court are filing fees and fines. In addition to these traditional costs of litigation, the last few years have seen an increase in the number of "user fees". These fees are established by the Legislature and are designated for specific funds and uses. This trend has resulted in a confusing and cumbersome fee system.[1]

Because of this complexity, the information sought for this report has been designed to correlate the fee collection reports made monthly by the court clerks to their respective county auditors. This system tends to avoid duplication of recordkeeping functions.

Following is a summary of the origin and distribution of the fines and fees reflected in the "Revenues" section of this report.

1. Court Costs: The funds reported under this category are part of a standard docket fee which is designated for the county general fund. This includes a clerk's service fee which varies depending on the type of proceeding.[2] In the basic civil action filed in the municipal and probate courts or on the plenary dockets of the circuit, superior or county courts, the clerk's services fee is $8.00.[3]

Included in court costs is a $10.00 fee charged to the defendant upon a conviction for a felony or misdemeanor on the regular docket of the circuit and superior court.[4]

2. State Docket Fees: This fee is designated for the state general fund. It includes a $7.00 fee charged in civil actions with a plaintiff and defendant in the municipal and probate courts and on the plenary dockets of the circuit, superior and county courts.[5] Upon conviction or entry of judgment against the defendant in cases on the minor offenses and violations docket, the state docket fee is $5.00.[6]

[1] Effective July 1, 1987, the entire fee system has been revised to provide for a more streamlined procedure and flat filing fees. Acts 1987, P.L. 305.

3. County Docket Fees: This group reflects additional docket fees which are designated for the county general fund. It includes a $10.00[7] fee charged in cases on the small claims dockets of the circuit, superior and county courts. Upon conviction of an offense or entry of judgment in a case on the minor offenses and violations docket of a circuit and superior court or in the county court, the county docket fee is $5.00[8]

The county docket fee in criminal cases and infractions in the Marion Municipal Court is $15.00.[9]

4. Judicial Fees: A judicial fee is charged in all civil cases filed on the plenary dockets of the circuit, superior and county courts and in civil actions in probate or municipal courts.[10] In a civil or criminal proceeding in the circuit, superior, municipal or probate courts, the fee is $9.00.[11] Of the $9.00 fee, $1.30 is deposited with the judges' retirement fund and $7.70 goes to the state general fund.[12]

5. County Court Judicial Fees: This category reflects a $1.00 judicial fee charged upon conviction of an offense or upon entry of judgment in a case within the infraction or ordinance violation jurisdiction of a county court or a case on the minor offenses or violations docket of a circuit or superior court.[13] This entire fee goes to the judges' retirement fund.[14]

6. Judicial Salaries Fee: This category reflects a judicial salary fee of $12.00 charged in civil actions in the circuit, superior, municipal, probate and county court; a $2.00 fee charged in dissolution of marriage cases; and $1.00 in proceedings to enforce an ordinance or infraction.[15] This fee is deposited in the state general fund. Included here is also a $2.00 judicial salaries fee charged for reinstating certain cases.[16]

7. Service of Process and Sheriff's Pension Fund: Included here are fees set for service of process. Though there is some variance[17], the basic service of process fee in civil cases is $10.00.[18] These fees are designated for a county police pension fund.[19] If no such fund has been established or if more funds than necessary have been collected, the remainder is deposited with the county general fund.[20]

8. Jury Fees: This section reflects fees collected by the clerk for the county general fund. Once a jury is called jury fee of $100 or $50 is charged depending on the case.[21]

9. Support Fees: This section reflects a fee charged to persons required by a court order to pay support and maintenance. The fee is paid annually and goes to the county. Depending on the date paid, it could be $15.00 or $30.00.[22]

10. Fines and Forfeitures: The fines and forfeitures for state law violations are designated for a special state fund, the Common School Fund.[23] The fines for local ordinance violations go to the respective locality. Effective September 1, 1981, many traffic violations were decriminalized and denominated as infractions. As such, they are no longer punishable by fines but by civil judgments (of up to $1,000) for the State. These judgments go to the state general fund. Due to recordkeeping practices by some clerks, this category may include some infraction judgements which have not been properly distinguished from the fines.

11. Prosecuting Attorneys Fee/Violent Crime Fund Fee. In each criminal matter a prosecuting attorney fee is charged and deposited in specific funds. In cases involving an infraction, the fee is $20.00; in Class B and C misdemeanors, the fee is $25.00; in felonies and Class A misdemeanors, the total fee is $42.00. Of each prosecutor's fee, $4.00 remain with the county general fund and are reflected in this report under "county portion". The balance is forwarded to the state where the fee is

earmarked further. Four ($4.00) dollars of the state fee are deposited in a law enforcement academy training fund and $1.00 in a law enforcement academy building fund.

In those cases where the fee is $42.00, $15.00 go to the violent crime victim's compensation fund, $2.00 in the sex crimes victim services fund and $5.00 to the family violence and victims assistance fund. In those cases where the fee is $25.00, $5.00 also go to the family violence and victim assistance fund.[24]

12. Municipal Prosecutor's Fee: This is a $20.00 fee charged in cases involving municipal ordinance violations. If collected in Marion Municipal Court, the entire fee goes to the city. If collected in the circuit, superior or county court, only $15.00 goes to the city and $5.00 to the state where it is distributed as $1.00 to the law enforcement academy building fund and $4.00 to the law enforcement academy training fund.[25]

13. Adult Probations User's Fee: This category reflects a fee which is charged to each person placed on probation for a felony conviction. The fee could range between $25.00 to $100.00 as an initial fee and between $5.00 and $15.00 as a monthly fee for each month the person remains on probation.[26] In misdemeanor convictions, the probations user's fee is optional with the court. If imposed, the initial fee cannot exceed $50.00 and the monthly fee cannot exceed $10.00. The funds so collected are deposited in a county adult probation services fund which is used for probation services.[27]

14. Family Violence and Victim Assistance Fund Fee: This category reflects a $10.00 fee which is charged in all actions for dissolution of marriage. It is deposited in a state fund specially designated for the purpose.[28]

15. Bureau of Motor Vehicles Fee: A "permanent operator's record fee" is charged for certification of the record of a conviction in traffic cases. The amount varies from $7.50 to $25.00 depending on the

16. Infraction Judgments: These are judgments obtained in favor of the state in violations designated as infractions. They go to the state general fund.[30]

17. Change of Venue Fees: This category reflects fees charged by one county to another county for use of its facilities for cases received on a change of venue.[31]

18. Bail Bond Fee: This category reflects a $5.00 fee collected from each defendant who executes a bail bond. Two dollars and fifty cents are deposited in the county general fund, and the remainder is deposited in the county extradition fund.[32]

19. Fish and Wildlife Fee: This is a $10.00 fee charged in each conviction involving fish and game law violations. It is turned over to the state treasury as part of fish and wildlife preservation fund.[33]

20. Alcohol and Drug Program Fee (optional program): The legislature has empowered the trial courts to establish alcohol and drug treatment programs and to set a program fee between $1.00 and $5.00 to be charged in all cases within the county involving violations of state law or city ordinances.[34] The fee is deposited with a specially designated local fund and used for the designated purpose.

21. Pre-Trial Diversion Fund (option program): The legislature has empowered the prosecutor to withhold prosecution in misdemeanors subject to specific conditions; as a condition thereto, the prosecutor may require the payment of an initial user's fee of $50.00 and a monthly fee of $10.00. The money is deposited in a segregated fund to be used for pre-trial diversion programs as the prosecutor directs.[35]

These fees are deposited with a Probation Services Supplemental Juvenile Fund and are used for the specifically designated purpose.[37]

24. Informal Adjustment Program User's Fee (optional with the court): The trial court may order a monthly user's fee of $5.00 to $15.00 to be paid in cases where the juvenile is placed in an informal adjustment program.
